COLLEGE *of* BUSINESS
at ILLINOIS

Joseph Mahoney has published more than 50 scholarly articles in respected journals like the *Academy of Management Review*, *Journal of Management*, *Journal of Management Studies*, and *Strategic Management Journal*. His publications have been cited over 5,600 times by scholars in 65 countries. His book, *Economic Foundations of Strategy* has been adopted by over 30 top doctoral programs. Mahoney is an editor for the *International Journal of Strategic Change Management* and the *Strategic Management Journal*, and he contributes to 21 additional journals. Mahoney's passionate teaching has garnered him many outstanding teacher awards since coming to Illinois in 1988. In that time he also served on 47 completed doctoral dissertation committees and currently serves on 8 others that are in progress.

Mahoney resides in Champaign with his wife, Jeanne Connell, who is a Professor in the College of Education at Illinois.

Caterpillar Inc.

For more than 85 years, Caterpillar Inc. has been making sustainable progress possible and driving positive change on every continent. Caterpillar is the world's leading manufacturer of construction and mining equipment, diesel and natural gas engines, industrial gas turbines and diesel-electric locomotives. The company is also a leading services provider through Caterpillar Financial Services, Caterpillar Remanufacturing Services, Caterpillar Logistics Services and Progress Rail Services.

The University of Illinois and the College of Business value Caterpillar's support of faculty excellence, student programs, and scholarships.
